Make Sounds with My Body

Activity Manual

<How to Play>

1. Look at the picture cards to learn how to make sounds with your body, then make the sounds.
2. Gather children in small groups of 4-5 for the activity and have them sit in a circle.
3. Use rock-paper-scissors to determine which child will roll the rolling container.
4. The child who will roll first will put all the cards in the container and close it.
The other children will clap and sing the "Make Sounds with My Body" song.
5. The child will roll the container to her/his friend in tune with the song.
 - The child rolling the container will call out the name of the friend receiving it.
6. The children will continue to roll the rolling container back and forth. When the singing stops or the teacher signals "Stop", the child who received the container last will open the lid and pull out one drawing card.
7. After the child checks the drawing card, she/he will make the sound indicated on the card with her/his body.
 - The other children will watch their friend make the sound with her/his body and then imitate it.
8. Have the child put the card back into the container, and continue the activity as stated above.

* Tips

- Once the children become familiar with rolling the container, they may be put into bigger groups for the activity.
- The teacher should interact and lead the activity so that all of the children get chances to roll and receive the container.

★ Refer to the 'Instructions' in the Nuri Nori Teacher Manual to know in detail, how to do the activity.

★ Please hand over these learning materials in the activity area after giving a full explanation of the rules and demonstration on how to use the materials.
